VOLUME IX

SANTA ANA, CALIFORNIA, OCTOBER 7, 1931

NUMBER FOUR

Plan Athletic Celebration Here On Friday

Will Hold Berkeley Conclave

BOARD SENDS GRIFFITH TO ANNUAL MEET

Santa Ana President Will Attend With Hottel, Fullerton Head

Convention Will Last Two Days, October 16-17

George Griffith, president of the Associated Students, will represent Santa Ana at the California State Junior College Student President's conference to be held at Williams junior college, Berkeley, the Executive Board decided at its meeting this week.

Griffith will be accompanied by Paul Hottel, president of the Fullerton junior college body, and other Southern California student officials. The party will go to Berkeley by boat.

The delegates will be housed for two nights at California fraternities and sororities. The five dollars registration fee covers housing and all events of the program.

The program is as follows: Friday, October 16:

10 A. M. to 1 P. M.—Registration of delegates.

(Continued on page 4)

W. A. A. Entertains Women Of College

Dancing, games, and refreshments were included on the program at the W. A. A. Rally staged Thursday afternoon in the little gymnasium.

All junior college women were welcomed to the affair, and the purpose of this rally was to gain a new spirit and enthusiasm for the season's sports and to give the women an opportunity to meet other student associates.

The first part of the afternoon was spent in dancing, music being furnished by La Trelle Dehner and Verma Helm. One of the most outstanding parts of the afternoon activities was the composing of a W. A. A. club song. The W. A. A. cabinet recently decided that such a feature would help strengthen their organization. Lorna Allen, president of the W. A. A., divided the girls present into three groups. Each of these were responsible for the tune and words of a song after 15 minutes of preparation. At the end of the given period the song were presented before the whole group. Then one was chosen to be used as the W. A. A. song this year.

Record Crowd Attends Irvine Park Student-Faculty Picnic

Taking the place of the annual junior college beach party, the big student-faculty picnic held Friday afternoon and evening at Irvine Park was attended by a record crowd.

At 6 o'clock a Spanish dinner was served by the Sisterhood of Spinster and the Brotherhood of Bachelors in their respective green and white checked aprons and red ties.

Skits, dances, musical numbers, and humorous speeches, given by the various service clubs, furnished the early part of the program. Miss Marjorie Arundell, social commissioner, announced the numbers. Following the program on the outside stage, the students and faculty adjourned to the pavilion, where dancing was enjoyed for the remainder of the evening.

Las Gitanas opened the evening's program with a humorous skit called

Occidental Lecturer Will Feature P-T. A. Gatherings

Under the auspices of the high school and junior college P-T. A., Dr. J. Hudson Ballard of Occidental college will give a series of four lectures, which will be delivered the second Friday evening of each month, beginning October 9.

His subject will be on the fundamental principles of psychology which govern human behavior.

The P-T. A. feels extremely fortunate in securing Dr. Ballard, as he is one of the most popular speakers in Southern California. From the success of his lectures given last year, the P-T. A. believes that if students attended one lecture, they would attend all of them.

Fall Meeting Of Junior College Set For October

Southern California junior colleges will hold their fall meeting at Compton, October 24. This is the gathering when section meetings representing the various departments of college work will be held following a general session at 10 which will be addressed by Dr. Merton E. Hill of the University of California.

Dr. Hill will present facts and figures showing the progress junior college students make when they transfer to senior college, a study which he has been engaged upon for several years.

A luncheon will be served at which newly-elected officers of the association will be introduced.

President of the Associated Students, George Griffith will represent Santa Ana at this gathering. Griffith may be accompanied by others from the Don institution, it was learned today.

Members Of French Club Hold Initial College Gathering

Marking the initial social event of the year for L'Hotel de Rambouillet, members of the French club held an afternoon tea Thursday in the Y-hut. Both former and prospective members were present.

Charades given by Bob Brown were the main features of the program. Florine Pollock, accompanied by her mother, presented a vocal solo, "L'Hirondelle."

Dr. Ali Khan Urges International Brotherhood In Talk On Persia At Junior College Assembly This Week

International brotherhood and good will were main topics in the historic speech given in yesterday's assembly by Dr. Ali Kuli Khan, formerly Persian minister to the United States, Persian delegate to the Persian Peace Conference, head of the Persian embassy at Constantinople, and grand master of the imperial court of the Persian crown prince regent.

Dr. Kahn said in his introductory and closing statements that "even if our nations are separated by physical barriers, we are all of one humanity of which every member irrespective of race, color, or creed is the son of the same father called one almighty God. True civilization will be established when real peace and understanding shall find way among men. We are all leaves from one tree; drops of one seed; fragrance of one rose. Great glory is his who loves

Unusual Features Offered In Music

Assignments In J. C. Alchin Same As At U. S. C.

Making the Santa Ana junior college music department one of the most unusual in the State, Alchin's advance harmony and beginning figured bass are being offered this year.

Miss Myrtle Martin, head of the music department, announced that next year advance figured bass and beginning Alchin will be given. This will enable major students to study two years of harmony, either figured bass or Alchin, at Santa Ana.

Under the direction of Miss Theo

Slate Casting Of Drama Plays Soon

Ernest Crozier Phillips, drama instructor, has had members of his drama class giving original skits, pantomimes, and dialogues, in order to find out what material he has to work with this year.

It has developed that there is a

(Continued on page 4)

Plan Elimination Of Loan Deficits

Will Present Comedy Here To Increase Funds

"Cold Molasses", benefit play to be presented in the college auditorium Friday evening, October 16, is being sponsored by the P-T. A. to eliminate the student loan fund deficit of \$2,600.

Arrangements have been made with the Travers' Theatrical production for their 1931-1932 attraction, the hilarious comedy, "Cold Molasses", which contains laughter.

(Continued on page 4)

Spinster Pledges Are Complimented

In compliment to its "rushes", the Sisterhood of Spinsters entertained Wednesday evening with a progressive dinner and theatre party.

The first course was held in the home of the Supreme Spinster, Miss Grafton, in Anaheim, and the second in the home of Miss Betty Wiswall, Santa Ana. Entertainment was furnished.

(Continued on page 4)

Chapter In National Journalistic Society Planned

Representing Sigma Tau Epsilon, national journalistic society, Russell Roe, of Pasadena junior college, was a visitor in Santa Ana last week and urged Paul Wright, editor of El Don, to organize a Santa Ana chapter of the organization.

The Alpha chapter belongs to Pasadena, this institution doing more than any other college to establish the writers' fraternity. With chapters in states as far east as New Jersey and Massachusetts and as far south as Texas, Sigma Tau Epsilon has grown by leaps and bounds, and since California was largely responsible for its establishment, she should have as many chapters as possible, Mr. Roe pointed out.

Those who have done outstanding work on El Don, Del Ano, the Tavern Post, and other junior college publications here should turn in their names to Wright as soon as possible, if interested, and if 15 or 20 students petition for membership, definite steps will be taken to form a Santa Ana chapter. All petitioners will be considered as pledges until certain requirements are met.

Ellwood Lindley Named President Of Spanish Club

Convening to organize their social program and to select new officers, members of the Spanish club, at their first meeting, elected Ellwood Lindley, president; Ernest Thatcher, vice-president; Orlando Salazar, secretary-treasurer; and Cecil Slaback, publicity chairman.

Tentative plans for several social events were outlined, and it was decided by the club to have a special program for each month's meeting.

College Breakfast Club Holds Sunday Meet At Fisk Home

Celebrating with a breakfast at Dean McKee Fisk's apartments, the Breakfast club held its first meeting Sunday morning. Plans for the coming year and also for selecting new members were made.

Membership in the club is limited to 24 and new members are voted in every time there is a vacancy caused by the unexcused absence of a former member.

Officers who have been elected to serve this semester are Robert Brown, president; Russell Koons, vice-president; Kenneth Eastman, secretary and Roy Wheeler, treasurer.

Tree Twitters Tarnish Timber Taking Turns Atop The Trees

Students on the junior college were seen at various times of the day casting reflections on their pithecanthropus erectus ancestors. According to the decree, each pledge must carry for the period of one week an egg, a brick, and a gunney sack. Pillows were carried into yesterday's assembly for their superiors to sit on.

The members and pledges were guests of Norman Sprowl at the West-Coast theatre following their regular meeting Monday night.

Members present were President, Jim Thompson, Martin Bowman, Charles Greenleaf, Bert Wilkins, Burt Winslow, Paul Wright, Richard Robbins, Doyle Gilbert, and Willard Miner.

LAS MENINAS STAGE FIRST RALLY DANCE

Collegians Urged To Turn Out For Initial Grid Gathering Friday

Captain And Coach Of Dons Will Give Speeches

Sponsored by Las Meninas, women's service organization, a giant football rally, celebrating the opening of the Southern California Junior College Conference football season, will be held on the east campus Friday night at 7:30 p. m.

Following yells which will be led by James Quiggle and his assistant, and talks by Captain Mike Santa Cruz and Coach Bill Cook, a dance will be held in Andrews gymnasium, with Carleton Smith's nine-piece orchestra furnishing the music. Admission will be 10 cents per person.

Plan Caravan

Holding its regular meeting Monday night, the Las Meninas club outlined plans to sponsor an auto caravan to the Santa Ana-Long Beach game at Long Beach Saturday afternoon. All students taking cars will form a line in front of the college at 1 p. m., at which time the cars will be decorated with black and red streamers. It is planned to have motorcycle officers head the parade.

Present at Monday's meeting of the Las Meninas group were Miss Genevieve Humiston and Miss Dorothy Decker, advisers; Misses Mary Ford, Katherine Spicer, and Mary Louise Wallace, alumni; and the Misses Clare Hymer, president; Demaris Sears, Rosalind Schilling, Agnes McKinstry, Ruth Collins, Florence Stanley, Marian Taylor, Eugenia Gire, Neva MacDonald, Juliet Taylor, Miriam Samuelson, Esther Romoff, Lorna Allen, Katherine Harwood, and the hostess, Hazel Hushman, members.

Irvine Is Scene Of Gauchos' Meet

Irvine Park was again the scene of junior college activity when the Gauchos held a rush party there Monday night.

Refreshments were under the supervision of Dana Beal; Cecil Slaback offered a few numbers on his accordion. Elmer Kogler gave a talk on his recent trip to China and Japan.

Following the entertainment, a short business meeting was held at which plans for policing football games and ushering at assemblies were discussed.

Guests present at the rush party were Ken Patrick, Hallis Gray, Jim Bowyer, Morris Singer, Ernest Thacker, Fred Pinkston, Roy W. Archer, Vernon Brock, Jimmie Quiggle, and Dewitt Bishop.

Regular members were Chuck

PRESS ASSOCIATION

EL DON'S PLATFORM

It is the aim of El Don as the official newspaper of the Santa Ana Junior College Associated Students to—
1—Take an active interest in the welfare of the association and aid in the progress and promotion of the organization's activities.
2—Assist in making the Santa Ana junior college the best educational institution of its kind in California.
3—Promote the most friendly and cooperative relationship possible between students of the school and faculty members.
4—Assist student officials in discharging their duties by presenting the attitude of students on problems of the association.
5—Offer unbiased, truthful and enterprising accounts of events on the campus thereby aiding in the promotion of such activities.

EDITORIAL COMMENT

Music, Drama, Debating

Colleges and universities throughout the country are now making concerted efforts to bring the until-now-submerged extra-curricular activities to the top of the list of those things interesting to their students, or to their particular group, according to location and background. There is no doubting the fact that although football and various other athletic contests are now at the head of this group, several branches of the fine arts are following them a close second.

For instance, music, drama, and debating!

Centuries ago when the most famous athletes of the time gathered to try their skill against each other in the massive stadiums that have helped build up such a glorious civilization, music and drama were even in those days close on the heels of the games in vying for public favor. Surely these activities warrant the support of every present-day person.

Interest, it has been said, can be created in anything worthwhile, provided talent along these lines is brought to light. Santa Ana junior college is blessed with a variety of hidden musicians, dramatists, and debaters. Participation in these extra-curricular activities will uncover many traits of efficiency which the students did not know existed. Participation, then, is the key to collegiate betterment.

Looking At The Future

College students should consider themselves important factors in the solving of international and national difficulties which are increasing rapidly in number and seriousness.

The prime requisite in assuring the United States future efficiency in foreign as well as domestic affairs will be to have men and women who can think, and we of today have the material out of which will come these thinkers, provided we apply ourselves at the present time. By applying ourselves now, we shall be prepared to face the problems of the future.

Unlimited praise should be extended Professor Munro of California Tech, because he declined to offer advice to students. He took the ground that the older generation, having plunged the World into war, a post-war boom, and a depression, was not in a position to give counsel. Truly, it has not been a record to brag about. There is considerable advice, however, that certain educators are offering that should be swallowed by every collegian.

Cakes And Characters Are Alike

"I'm mad! I've spoiled a beautiful chocolate cake by just looking at it too soon and making it fall." This cry is familiar to many people who weren't patient enough to wait. However, how often have these same persons acted just as unwisely with things more advisable than cake—human spirits.

Cakes and character—they are a great deal alike. There are common enough ingredients in both of them—plain flour and butter, sugar and eggs and flavoring in the cake, ordinary sense and humor and imitation in the character. There is nothing very remarkable in either mixture, still one cannot tell how they will turn out.

Something is in the makings of both, something sensitive and mysterious, but terrifically potent.

Baking powder raises a cake. Pride and ambition in the man by their force and fury fill his soggy batter with "go-get-em". Yet, just as one can make a rising cake fall, so one can make a rising character fall if he chills it in the struggle.

Give a person's pride time and it will do wonders with him, but chill him with doubt or criticism or ridicule before his character has "set" and he'll be a fallen cake for life.

OVER THE EDITOR'S DESK

BY PAUL WRIGHT

SUCCESSFUL to the last degree was the big faculty-student picnic at Irvine Park Friday evening. There were so many students and faculty members there that it looked like a convention of junior collegians from all over Southern California. I'll bet there is more than one student who prefers this type of entertainment as compared to last year's beach party. Ne c'est pas?

PURCHASE THAT membership card in the Associated Students today. The Auditor's office, Room 55, will be more than glad to take your money; either \$2 or \$7 will do. The only convenient phase of the \$7 purchase is that you are through paying for privileges which if requested separately, would cost you \$15 or more. If you do not wish to pay the \$7 all at once, bring in \$2, pay \$2 next month, \$2 the next, and \$1 the next. Savvy?

FELLOWS, it's high time to be shopping for dates to that Soph-Frosh dance to be given this month. Of course, with the bevy of pretty girls flocking here this term, it will be unnecessary to hurry too much. And remember, Freshmen, your little green pins will admit you at the door! If you don't have them that night, they might admit you somewhere else.

ASSEMBLY PROGRAMS were made for your benefit. Attend every one of them. It is at this time that many important issues come up before the students, and if you aren't there, chances are that you will miss out on something. BE THERE!

EL DON and its journalism department feel justly proud of the progress which Abbott Mason, former president of the Associated Students, is making with his paper, "THE TRADING POST", in Lavina, Montana. Mason, a member of the 1930 El Don staff, is the youngest editor in the state of Montana, it has been learned. When better men are built, they'll be patterned after Abbott. No kidding!

COACH BILL COOK'S Santa Ana Dons pry the lid off their Southern California junior college grid schedule Saturday afternoon at Long Beach. The Beach City Vikings, although powerful, have not scored on Santa Ana for three years. Think of it! The quality of this year's eleven, together with a representative rooting section Saturday, will assure the Dons another victory. Chaffey's strong Panthers beat Long Beach, 7 to 6, in a practice tilt last week, while Santa Ana, playing the Ontario eleven two weeks ago, did well to tie Chaffey. This doesn't mean anything, however, as Santa Ana has snapped out of it during the past two weeks. Look what the Dons did to Riverside, the 1930 Eastern Division champions!

Olson And Parks Seen In New Play

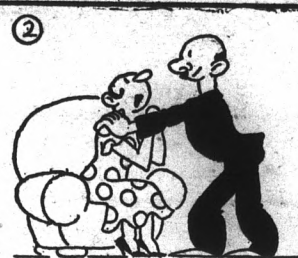

When "Broken Dishes" is presented the latter part of this month by the Santa Ana Community Players, the junior college will be represented in its cast by two members, Pauline Parks, and Eugene Olsen.

The two are cast opposite each other, carrying the love plot of the story which deals with a henpecked husband who wants his daughter to marry one of the boys from the village. The wife objects and from this point the plot is developed.

Former J. C. Dons Do Graduate Work

Word comes from the University of Redlands that two of their alumni who were former residents of this district are doing graduate work at the University of California at Berkeley.

Miss Wilma Griset, whose home is in Tustin, graduated from Santa Ana junior college in 1929 and spent the next two years at Redlands where she majored in science. Walter Lehnhart, formerly of Santa Ana, graduated with the class of 1928, Redlands. Both young people are working for their master's degree.

BOOK REVIEW

By Gladys Lloyd

Lynd Ward has just written another one of those books that stand out with startling relief against the common run of best-sellers. "God's Man," is an exceptionally unusual novel in that it is done in vivid wood cuts.

This sequence of cuts depicts the life of an artist who barbers his life with Death for a wonderful skill in painting and then departs for the metropolis. His lovely talent soon becomes known to a great many people, among whom is a clever art dealer who plans to gain control of all the picture proceeds by the use of a beautiful artist's model. The young man soon becomes disillusioned and becomes cynical to all the female sex. In this abnormal state of mind, he attempts to take the life of a young girl and consequently is thrown in jail. In attempting to escape, he is found by a young woman who nurses him back to normal health. They are supremely happy until death steps in to claim her own.

The impressive wood cuts tell the story with extreme clarity and the unusual scope, technique, and dramatic intensity make the novel one that will not be easily forgotten.

BUGHOUSE FABLES

Dear Editor:

Can you tell me an easy way to get thin? Every morning I insist upon getting out of bed at a very early hour, dress, putting on a couple of sweaters, to increase perspiration, go out into the yard and skip the rope, punch the bag and shadow box intermittently for two long hours. Then I go inside and take one of those ice cold showers that one delights in so much one a cold morning.

My breakfast consists of a lemon and a glass of lukewarm water. Around me the family are eating their breakfast of cereals with rich cream, hot biscuits and butter but none of these for me for I am trying to reduce and must not eat anything fattening.

Then I go to school and no matter how hard I try to concentrate upon my work, that piece of coconut cream pie in the pantry at home stays in my mind.

This dieting may seem foolish or even ridiculous to some folks but I want to look like other junior college students.

After what seems years that 12:20 bell rings. I rush down the hall past enticing odors issuing from the cafeteria and go out side to sit alone under a tree and take from my pocket an apple which I eat very slowly. When I have finished I go for a walk. The afternoons I spend trying to concentrate on food for thought instead of food for the stomach.

In the evenings I read until late and do anything to keep from sleeping—because sleep is very fattening. On Saturday I go and weigh myself and find to my great disappointment that I have lost only nine ounces.

I rush home thinking that trying to reduce is foolishness and eat to my hearts' content. But the next time I weigh myself I find that I have gained nine pounds.

Yours in despair,
A Junior College Student

BONEHEAD SAYING

Once upon a time an enterprising poultryman crossed his hens with parrots to save time. He used to spend a lot of time hunting eggs, but now the hens walk right up to him and say, "Hank, I just laid an egg. Go get it."

The absent-minded paying teller who started sawing the bars in front of his cage.

It is asserted that there are no unemployed in France. All are busy counting American tourist's money.

Conference Season Opens Saturday

DONS VICTOR OVER TIGERS ON GRIDIRON

Big Improvement Shown By Locals In First Home Game Of Season

By smart playing, excellent generalship, and crushing interference, the Santa Ana J. C. Dons smashed their way across the Riverside Tiger's line for two touchdowns, defeating Coach Jesse Mortensen's gridmen 13 to 0 for the first S. A. J. C. victory this season on the Poly field last Saturday afternoon.

Coach Bill Cook's gridmen entered the pre-league season tussle as the underdog. The eyes of the football fans, however, were soon clear-game, the Tigers last season's Easted of their illusion by the colorful aggressive playing of the Dons. It was in the second quarter of the game when the Don eleven uncorked their potential offensive strength, which seemingly had laid latent until then, with a long spiral pass hurled by quarterback Emmett Seacord to halfback Maxwell, placing the oval on the Tiger 15 yard line. Don Siracusa, playing fullback, smashed through the right side of the line on an off-tackle buck for eight yards. On the second down Riverside was penalized five yards for holding. With four downs in which to make two yards, Seacord in two downs carried the ball over for the first touchdown scored by the jaycee team this season. The conversion went wide to the left. The score: Santa Ana 6, Riverside 0.

Seacord Stops Tiger's Threat
In the opening quarter of the first Division champions, came dangerously close to scoring the first touchdown of the game. Their threat came as the result of Nicolas's flashy dash around the Don left end for 27 yards, along with Graham's run of 17 yards around the right end, putting the ball on the Santa Ana ten yard line. A penalty on the next play for holding was inflicted upon the scrappy Tiger's which cost them 15 yards. Nicolas then standing on the 35 yard mark hurled a long pass which dropped into the hand of Seacord bringing the Tiger's valiant scoring efforts to naught.

Riverside's Kick Blocked
"Gib" Meisinger center for the Don's late in the third quarter, broke through the Tiger defense to block Nicolas's kick on Riverside's 40 yard mark and finally recovered it on the Riverside's 25 yard line. This placed

Sid's Sport Column

BY SID MAGNUSSEN

Here's how Coach Bill Cook's gridmen appear under the stern judgment of the yard stick in their victory over Riverside, last season's Eastern Division champions: The Dons carried the ball 58 times, made a total of 175 yards from the line of scrimmage for an average of 3.02 yards per play as compared to Riverside's average of 2.76 yards per play for a total of 127 yards from the line of scrimmage in 46 attempts.

Individual yardage gained for Santa Ana men:

| | | | |
|----------|-----|----|------|
| Siracusa | 60 | 14 | 4.29 |
| Higashi | 36 | 14 | 2.57 |
| Seacord | 33 | 12 | 2.75 |
| Wilkins | 12 | 4 | 3.00 |
| Smith | 11 | 2 | 5.50 |
| Daneri | 9 | 4 | 2.25 |
| Beall | 5 | 1 | 5.00 |
| Schenck | 3 | 1 | 3.00 |
| Lusk | 0 | 1 | .000 |
| Totals | 175 | 58 | 3.02 |

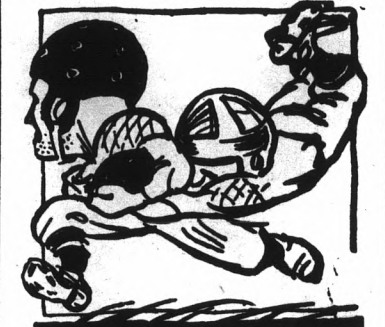

PASSES

| | | |
|--------------|------|------|
| Attempted | 7 | 12 |
| Completed | 2 | 3 |
| Incomplete | 5 | 9 |
| Intercepted | 2 | 1 |
| Yards Gained | 40 | 24 |
| Average | 5.71 | 2.00 |

Dante Siracusa loomed as the outstanding ball carrier of the game, totting the ball 14 times and making almost a first down in every two attempts. Several times Siracusa broke away for gains of 10 yards at a crack through the middle of Riverside's forward wall.

the ball within scoring distance for the second touchdown.

Hideo Higashi on the next play

carried the ball to the 15 yard line. At this vantage point to score the Dons were penalized 15 yards. It did not cause a let down, however, even though it was first down and 25 yards to make. Don Smith's 8 yard dash over the line along with Don Siracusa's 21 yards in the next two

(Continued on page 4)

Compton Doped To Capture Crown Of Western Division

After defeating the strong U. S. C. freshmen, Compton automatically established themselves as pre-season favorites to capture the Western Division football championship for the second successive season.

This year's team will be just as strong if not stronger as was indicated by the way that they outplayed the Trojanes. The S. C. peagreens were within dangerous scoring distance of the Compton goal, and were caught flat footed by the sensational passing Bill Howard, Tartar quarterback.

The Compton squad has an array of talent from end to end in the line and a set of hard running backs. Gene Hibbs, brother of the famous All-American tackle in 1928, is playing left tackle for the Compton team and was by far the outstanding linesman of the day.

This was the first defeat the Southern California freshmen have had in three years, so now they have something in common with their big brothers, the Trojans, who were dusted off by an inspired eleven from St. Mary's a week previous.

Seifert, captain of the Redondo high school team, which went to the finals of the Southern California interscholastic championship play-off of last year, proved to be the best ground gainer of the day when packing the ball from the left halfback position.

Coach Deacon Pine has several other promising men on his team and at this writing he should by all probability be the man to coach the championship team for this year, but Los Angeles junior college with a record turnout, will probably offer them the most competition.

Glendale Darkhorse
Last year Glendale proved to be the stumbling block for Dons after they had a nice start on the season without any defeats in the conference games and a hard fought tie with the Compton Tartars, who later went on to win the championship. They always have an excellent passing combination and if they have one like they had last year it will have to be stopped if any of their opponents are to go through the season undefeated.

Attend the Game Saturday

OUTLOOK FOR TENNIS TEAM IS BRIGHTER THAN BEFORE

Prospects for the girl's tennis team looked brighter this week when approximately twenty-five girls reported for practice.

This year's team is rated higher than any previous junior college team, according to Zena Leck, coach. Quite a few veterans returned and Santa Ana, Tustin, Anaheim, Orange Garden Grove and Huntington Beach high schools sent some of their best players here.

With so many candidates the competition should be strong and it may be possible to have two teams.

Lorna Allen, who played first-singles for the college last year, will in all probability play that position this year, but she will have serious competition from some of the freshmen.

Any girl still wishing to report for this team should sign up with Zena Leck this week.

Football Facts About This Saturday's First League Game

The game is to be played at Long Beach junior college located at Ximeno and 7th streets.

The game is to be called at 2:15 sharp.

The teams are doped to take the field on even terms.

The Long Beach line is considered a little stronger than the Don's forward wall and should average close to 180 pounds.

The whole Don team will average 170 pounds.

Ellen Foote Desires More Girl Swimmers

More candidates are needed for the girls swimming team, and are urged by Coach Ellen Foote to report this week. Thus far only a few girls have reported.

Neva McDonald and Eugenia Gire of last year's team have reported and will do most of their work at the diving board.

Florence Turner, former Santa Ana high school captain, has reported and will be of great value in the dash and form events. Turner also does some diving.

Hazel Spencer, also formerly of Santa Ana high school, has reported and will enter the diving, racing and form events.

Modern Inventions For Whittier Poets

Modern inventions are making unemployment in the ranks of the water boys. At least this is true around the Whittier Campus. They now have a water wagon that has displaced the water boy.

The affair is a tank, which is made of one inch steel galvanized inside and out, and has a capacity of 30 gallons. Twenty gallons of water will be normally carried and the balance of the space filled with air under a pressure of 75 to 150 pounds. heavily chromium-plated all which go to give it a collegiate appearance to match the wire spoked wheels trimmed in white.

Delvings of the Dons

BY BOB DURSIN

Long Beach Confident

From all advance facts gathered about the Long Beach team they think they can take the Dons into camp. Well, that may be true but I will still bet that the Dons are a touchdown better than the Vikings.

Who's Who

This week's who's who will cover a little of the life history of Emmett Seacord. He is a product of Coach Bill Cole's former football teams, and is now playing his second year on the J. C. eleven.

He did not go out for football his freshman year due mainly that he lacked the persuasive speech when his father doubted his ability as a football player. In his sophomore year he reported for the Tustin B team and made the first string. Then in his last two years in high school he played first string fullback and after graduation he came to the Don institution.

He is now 19 years old and weighs about 170 pounds and is as yet undecided as to what school he will continue his studies.

New Mile Record

Although it is football season in America the French are making history on the track. Jules Ladomegue, French middle distance star set a new world's record for the mile run when he clipped more than a second of the world's record held by Pav Nurni, which was 4 m. 10 1-5 sec. The new record is now 4 m. 9 1-5 sec.

Support the Yell Leader

The support that our Yell leader received last week wasn't anything to rave about. We have a good yell leader and a good team and a large crowd out to every game but we LACK NOISE, and it isn't anybody's fault but the students.

Bartholomew May Leave

There is a possibility that Wayne Bartholomew may leave for back east this week. He has been offered a job to drive some people to Oklahoma and unless he finds some kind of employment here he will be forced to leave school. He is a versatile athlete, playing either center or guard with equal ability. We hope that he will find a job here and stay with the team.

Willowick Offers Student Discount

Willowick authorities offer special rates to the Santa Ana J. C. students who care to take their daily exercise in the form of golf. Rates will be given on monthly passes beginning at the first of the month.

The monthly pass will allow students to play at any time during the month except on Saturday afternoons and Sunday mornings.

In the past the Willowick Country Club has sponsored all the Junior College golf tournaments and will again do so this year.

EVEN BATTLE IN PROSPECT FOR GRIDMEN

Long Beach Predicts First Victory In Three Years Over Local Padres

Opening the conference against a somewhat underrated Long Beach junior college football team, Coach Bill Cook's battling Dons will trek to the beach city next Saturday for the first conference game of the season. The game is slated to start at 2:15 and should prove a toss-up as far as the strength of the two teams is concerned.

Earlier in the season the Vikings had what appeared to be a particularly outlook for the season, but after taking on Bert Heiser's strong Chaffey Panthers and losing a close 6 to 7 game it is quite a lot stronger than previously rated. The Dons were outplayed by the Panther two weeks ago in a 0-0 game but since then they are a vastly improved team and should take the field on about even terms.

Long Beach Confident

According to the Long Beach newspapers they have high hopes of scoring on the Dons, which is more than they have done in the last three years. Not only this, but they expect to take the Cookmen into camp. That is still to be decided.

In the game with Chaffey, Long Beach outplayed the Panthers by a wide margin and at half time walked off the field with a 6-0 lead, but in the fourth quarter the Chaffey men put over a touchdown and won the game when Louman, Panther quarterback, converted for the extra point and game.

Cookmen Improve
Showing a vast improvement over their first two games the Dons will taper off a little on their fundamentals and concentrate on team work. For the first time this season the line seemed to function as a one man affair rather than irregular charging line that was predominate in the first games of the season.

Coach Cook said that he did not know what combinations would take the field Saturday for the Dons but will decide the question after he sees how some of his men go in this week's practice. Several of the men have been laxing in their practice and if there isn't a decided improvement some new faces will appear in the starting lineup:

Father: "So you interviewed her father last night. Did you make him to the mark?"

Son: "Yes, Dad. I was the mark."

Book Review Group Meets At Home Of Nealley

Christian Group Welcomes 125 At Pot-Luck Supper

LaTrelle Dehner And Verna Helm Entertain Club

Following the pot-luck supper and a short program, at which the freshmen women were guests of the sophomore women of the Y. W. C. A. recently in the "Y" hut, Mrs. John Tessmann related her impressions of her trip to Mexico last summer.

To aid in carrying the Mexican theme throughout the meeting, tamales were offered as the piece de resistance, with vegetable salad, rolls and coffee. More than 125 plates were served by the social committee, headed by Miss Constance Hannah and Miss Lucile Crawford.

Miss Elizabeth Skiles led the group in singing "Y" songs, with LaTrelle Dehner at the piano. Before the program was turned over to Miss Velma Bishop, program chairman, Miss Elizabeth Riniker, president of the organization, welcomed the new students, inviting them to use the Y. W. C. A. as a means of becoming better acquainted with the women of the college. The members of the cabinet were introduced by Miss Riniker.

The devotion was conducted by Miss Marian Tooze. Two piano solos were played by Miss Imogene McCauley, "The Goliwog's Cake Walk" and "Serenade," by Debussy. Miss Margaret Rust's two numbers, "Venetia" and "Cielito Lindo," were much appreciated.

Besides the two advisers, Mrs. Tessmann and Miss Mabel Whiting, the Y. W. C. A. had a guest, Miss E. Lucile Robinson, Girl Reserve secretary.

Issue Season Grid Passes To Members Of County Offices

Cards of thanks have been received by the Executive Board from eight persons, noting appreciation of the gift of season passes to local football games. Those who sent in "Thank you's" are Logan Jackson, sheriff; M. G. Jones, principal of Huntington Beach union high school; Maxwell Burke, board of education; H. J. Howard, board of education; Dr. Percy R. Davis, superintendent of city schools; J. A. Cranston, former superintendent of city schools; Mrs.

Students Of German Will Attend Opera Tonight

Several members of the German club tonight will motor to Los Angeles, where they will view the opera "Aida". The club has planned to attend many such operas during the year.

Among those making the trip tonight will be Hazel Stutkey, Geneva Glenn, Katherine Chapman, Allie Lair, Mildred Cogden, Jean Baldwin, Velma Bishop, Betty Browning, Alice Gertrude Chapman, Pauline Duckett, Bernice Bronson, and Margaret Fine.

Consider Pledges At Meet of Moavs

Election of pledges was considered at the meeting of the Moav club held at Miss Eleanor Wisner's home in Garden Grove Monday evening in honor of the pledges. An acceptance party will be given Thursday evening. Court Whist will be the feature entertainment.

At the request of the Executive Board it was decided that the Moav club members would cooperate in selling Associated Student tickets. A plan of procedure was formulated, whereby each member of the club will see a certain number of students.

Miss Wisner served dainty sandwiches, salad, and coffee to the Misses Edith Bailey, Lucile Crawford, Helen Campbell, Jane Cunningham, Dulcie Green, Elizabeth Riniker, Elizabeth Skiles, Joanna Day, and the adviser, Miss Frances Egge.

RIVERSIDE GAME

(Continued from page 3) plays more than made up the necessary yardage. The ball was then on the 1 yard line. Again the Dons were penalized for 5 yards. Unexpectedly the Don backfield called a reverse for the next play. It was an underhand pass from Higashi, triple-threat backfield man, to Solon Beall that caught the Tigers flat-footed as the Don man skirted over for the second touchdown. Higashi's conversion was good. Score: Santa Ana 13; Riverside 0.

Several of the players frequently took the limelight during different parts of the contest. Seacord through his passing and drives through the line, Daneri on his line plunges, Hall by his sensational defensive work and Siracusa by his long jaunts through the Tiger defense.

Dora Lutz, secretary to D. K. Hammond; and Floyd Howard, chief of police.

Two worms fighting in dead earnest! Poor Ernest. Pete: "If a horse fell in the bathtub what would you do?" Re-Pete: "I'd pull the plug out."

Students Of Miss Anna Gilles Outline Many Problems In Art

Classes in graphic representation, abstract design and color and design under the direction of Miss Anna Gilles, head of the art department, have begun many problems.

Students in the graphic representation class alternate modeling each day while the other students draw the subject. The beginning class of commercial art has finished studying ordinary pen technique, of which there is a beautiful display on the west wall of the art room. At present the commercial art class is making a new head for El Diario. It is a class project and the best one will be chosen to be used instead of the regular printed form. The advanced commercial art students are working in pen and ink on a perfume advertisement.

A number of charcoal problems in abstract design are being completed in the color and design class. Miss Ilse Hamann, instructor in applied art, announced that the first problems of the junior college class will be ready for the kiln within a week. The students are making tiles of either pierced or raised design. Glazing and firing will be done at the kiln located in the Washington building on North Main street. It is rather an exciting moment when the kiln is opened because if the tile has not been constructed properly, it "pops" or breaks.

The lone Don in the class is doing some very exceptional work, according to Miss Hamann, and some of the Donas have fine tile models. Anyone interested in viewing the various class activities may expect a cordial welcome from the department, Miss Gilles stated.

BACHELORS GREET PLEDGES

Twelve freshmen and four sophomores were pledged into the Brotherhood of Bachelors in a meeting at the home of Emmett Seacord Monday night.

After a short business meeting in which the necessity for buying A. S. B. tickets was stressed, the newly-made "scums" were brought in and paddles of various sizes and makes were used.

The scums then served the refreshments to the members and then to themselves after having played a game called "Simon" says down, with Bouncer Clayton giving orders.

The freshmen who received green ties and rolling pins are Garth Olsen, Bill Friend, George Berry, Hideo Higashi, Miner Whitford, Jack Hellen, Bill Campbell, Duncan Harnois, Jack Wilson, Harry Holmes, Henry Thiery and Gene Hall. The four sophomore

Pollock Drama Is Due Here Shortly

When Channing Pollock wrote "The Fool," his great drama of industrial unrest, he did more than put words into the mouths of his characters—he created persons symbolic of the class they represent. Although first produced a decade ago, the central theme of this great play is particularly apt at the present time as it presents what some believe to be a satisfactory solution to the question of capital and labor. It deals in a masterly manner with the struggles of a young minister on one hand to attain ends of selfishness and on the other to establish peace and good fellowship on earth.

Junior college students will have an opportunity to see "The Fool" when it is presented on October 15 in the high school auditorium by the young people's departments of the First Methodist Episcopal church of Santa Ana. Although not what could be called a "religious" play, "The Fool" brings to every man, woman and child, a message that cannot afford to be missed at these present times. Besides its splendid moral lesson it also abounds with rich comedy and with two of the most beautiful love stories ever told.

DRAMA

(Continued from page 1) great deal of talent. The talent is varied, making it possible for the drama department to present plays of all types: serious, tragedy, comedy, farce, and melodrama.

The casting of plays will start soon. These will be ready within a few weeks. They will be presented in assembly, Mr. Phillips said.

Words To W. A. A. Song Are Listed Here

Words to the new W. A. A. song, chosen last week at a rally to which all women students of the college were invited, are as follows:

"Here's to our S. A. W. A. A.
Best in the land.
We're always on hand.
The red and the black
Will show up in track.
We're always first rate,
We never come late.
We play baseball,
But that isn't all;
We're out to win
In Spring or Fall
Wherever we go,
That's how you know
It's S. A. W. A. A."

Discussion Group Announces Topics

Opening this year's "Y" discussion, the subject "Ideals of Love" was taken up last week in room 5 under the direction of Jack Green.

There being about 20 people present, the subject was thoroughly discussed as each person entered his ideas on all of the various angles taken up.

In an interview with Mr. Green, he made the request that more people attend and said that freshmen were especially invited since there were very few underclassmen in attendance at last Thursday's discussion.

The subject for tomorrow will be the "Physical Side of Love" and this in all probability will conclude the series of Love.

The tentative subject for the next series will be "Marriage", and this subject will be taken up beginning October 15.

SPINSTERS

(Continued from page 1) nished by Adahuth Ellis at the piano and Frances Bowman as soloist.

For the main course and its subsequent sweets, the group continued its way to the Sycamore Tea Gardens, in Tustin.

As a compliment to the rushes, the Spinsters had arranged gardenia corsages as favors.

Miss Grafton presided as toastmistress, introducing Miss Ione DeRemer and Miss Frances Bowman, who gave readings. With the conclusion of the desert course, Spinsters and guests returned to Santa Ana and attended the second show at the Fox West Coast theatre.

Spinsters present were the Misses Aileen Adams, Frances Bowman, Grace Skinner, Marjorie Arundell, Ione DeRemer, Nelle Grafton, Marian Parsons, Wilma Patterson, Helen Spangler, Adahuth Ellis, Margaret Wilson, and Betty Wiswall. The advisers, Mrs. Ralph Livenspire and Mrs. E. M. Sundquist.

Guests were the Misses Carolyn Mueller, Elizabeth Palmer, Dora Tedford, Saragrace Frampton, Catherine Howell, Florence Turner, Betty Hawk, Hazel Spencer, Ethel Ellis, Martha Hendricks, Beth Collar, Mary

Twenty-Two Join In Criticism Of Sinclair's Book

Helen Campbell Will Lead Second Discussion

At the home of Mr. and Mrs. Edward M. Nealley in Tustin, a group of students met Saturday evening to discuss "The Wet Parade", by Upton Sinclair, reviewed by Jack Green.

The question of whether or not it is the duty of a citizen to arrest law breakers aroused a great deal of comment, the final decision being that the individual cannot do much in direct control, but he can set an example. Mr. Nealley pointed out that public sentiment rests on education.

Concluding the general discussion to partake of delicious refreshments served by Mrs. Nealley, the men and women formed smaller groups and continued to debate on the problems brought before them during the evening.

Those present included Mr. & Mrs. John Tessmann, Mr. and Mrs. Nealley, the Misses Dulcie Green, Katherine Walbridge, Adahuth Ellis, Jane Cunningham, Helen Campbell, Lois Read, Constance Hannah, Edna Bargsten, Carolyn Houghton, Katherine Harwood, Marion Parsons, Marian Tooze, Lorna Allen, Edith Bailey, and Messrs. Bob Brown, Joe Koons, Jack Green and Lewis Bates.

"Man and His Universe", by Langdon Davies, will be reviewed by Miss Helen Campbell next Saturday evening at 7:30 at Mr. Nealley's home. All who are interested are cordially invited to attend and bring their friends.

BERKELEY MEET

(Continued from page 1)
